

TINDEX
 YEAR-OVER-YEAR INDEX OF FOODSERVICE INDUSTRY SALES
 (2019=100)*

TIndex shows continued industry improvement in May 2020 vs. 2019

The TIndex decreased slightly in May due some slight deceleration in LSR, although sales still remain very strong. FSR sales, however, strengthen in May.

- At the May level, the foodservice industry in that month was only 5.7% smaller than it was in 2019, but its overall sales increased by 55% over April 2020.

*Note: Each month's index corresponds to the same month in 2019 where the index=100
